

How to Fly Affordably

This seminar features the SkyCraft SD-1 Minisport and we will explore the Light Sport Aviation arena. What makes flying so expensive today and how Sport Pilot aviation solutions can solve some of the multifaceted issue of the cost of flight.

Directions: Room E. North Foyer.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
